

Debugging

More
Strategic

Less
Strategic

t

The diagram shows a horizontal axis labeled t at the bottom right. A large rectangle is positioned above the axis, starting from the left and extending to the right. The rectangle is divided into two vertical sections. The left section is dark gray and contains the text 'More Strategic'. The right section is light gray and contains the text 'Less Strategic'. Above the rectangle, centered, is the word 'Debugging'. To the left of the dark gray section, there is a wavy arrow pointing upwards. To the right of the light gray section, there is a wavy arrow pointing downwards. There are also horizontal bars on the left and right sides of the rectangle, at the same vertical level as the wavy arrows.
